*“Over the years, I have had the pleasure of working with OFE, as a recruiter for local customer contact centres. I have always found candidates to be enthusiastic and they definitely show a keen desire to seek meaningful employment.*”

*The opportunity to speak at OFE regarding my organization and the positions we have available was very valuable. You could feel such energy in the room and by the next day we had 20 great applicants down at our office, interested in working with our organization. Thank you for the continued follow-up and professionalism.”*
